Contents of *Aquaculture*, Volume 184

VOL. 184 NOS. 1, 2 **3 APRIL 2000**

Diseases, Parasites and Predators

Approaches to improve cultured pearl formation in *Pinctada margaritifera* through use of relaxation, antiseptic application and incision closure during bead insertion
J.H. Norton, J.S. Lucas (Townsville, Qld., Australia), I. Turner (Western, Australia), R.J. Mayer (Townsville, Qld., Australia) and R. Newnham (Rarotonga, Cook Islands) 1

Tolerance of Atlantic salmon, *Salmo salar* L., and rainbow trout, *Oncorhynchus mykiss* (Walbaum), to emamectin benzoate, a new orally administered treatment for sea lice
W.J. Roy (Argyll, UK), I.H. Sutherland (Edinburgh, UK), H.D.M. Rodger (Stirling, UK) and K.J. Varma (Union, NJ, USA) 19

White spot baculovirus syndrome in the Indian shrimp *Penaeus monodon* and *P. indicus*
P.R. Rajan, P. Ramasamy, V. Purushothaman (Madras, India) and G.P. Brennan (Belfast, UK) . . . 31

Ultrastructure and pathogenesis of *Monodon baculovirus* (Pm SNPV) in cultured larvae and natural brooders of *Peneaus monodon*
P. Ramasamy, P.R. Rajan, V. Purushothaman (Chennai, India) and G.P. Brennan (Belfast, UK) . . . 45

Genetics and Breeding

Performance testing of clonal *Oreochromis niloticus* lines
A. Müller-Belecke and G. Hörstgen-Schwark (Göttingen, Germany) 67

Husbandry and Management

European sea bass growth and N and P loss under different feeding practices
M. Paspatis (Iraklion, Greece), T. Boujard (Saint-Pée-Sur-Nivelle, France), D. Maragoudaki and M. Kentouri (Iraklion, Greece). 77

Shrimp seed recruitment in mixed shrimp and mangrove forestry farms in Ca Mau Province, Southern Vietnam
D. Johnston (Townsville, Qld., Australia), N. Van Trong, T.T. Tuan and T.T. Xuan (Ho Chi Minh City, Vietnam) 89

Salinity–temperature and nutritional effects on the setting rate of larvae of the tropical oyster, *Crassostrea iredalei* (Faustino)
M.N. Devakie and A.B. Ali (Penang, Malaysia) 105

Nutrition

Digestibility of macronutrients, energy and amino acids, absorption of elements and absence of intestinal enteritis in Atlantic salmon, *Salmo salar*, fed diets with wheat gluten
T. Storebakken (Sunndalsøra, Norway), K.D. Shearer (Seattle, WA, USA), G. Baeverfjord (Sunndalsøra, Norway), B.G. Nielsen (Myre, Norway), T. Åsgård (Sunndalsøra, Norway), T. Scott (Seattle, WA, USA) and A. De Laporte (Aalst, Belgium) 115

Growth of the black-lip pearl oyster, *Pinctada margaritifera*, in suspended culture under hydrobiological conditions of Takapoto lagoon (French Polynesia)
S. Pouvreau (Tahiti, French Polynesia; L'Houmeau, France), J. Tiapari (Tahiti, French Polynesia), A. Gangnery (Palavas, France), F. Lagarde, M. Garnier, H. Teissier (Tahiti, French Polynesia), G. Haumani (Tuamotu, French Polynesia), D. Buestel (Palavas, France) and A. Bodoy (Tahiti, French Polynesia; L'Houmeau, France) 133
The use of larval fatty acids as an index of growth in *Mytilus edulis* L. larvae
N. Leonardos and I.A.N. Lucas (N. Wales, UK) 155

Physiology and Endocrinology
Acute stress response in triploid rainbow trout (*Oncorhynchus mykiss*) and brook trout (*Salvelinus fontinalis*)
T.J. Benfey and M. Biron (Fredericton, New Brunswick, Canada) 167
Single pair mating indicates maternal effects on embryo survival in rainbow trout, *Oncorhynchus mykiss*
J.J. Nagler (Moscow, ID, USA), J.E. Parsons (Hagerman, ID, USA) and J.G. Cloud (Moscow, ID, USA) 177

Book review
Food Safety Issues Associated with Products from Aquaculture 185

VOL. 184 NOS. 3, 4 **17 APRIL 2000**

Diseases, Parasites and Predators
Parasite community study of the undulate ray *Raja undulata* in the Ría of Muros (Galicia, northwest Spain)
M.L. Sanmartín, M.F. Alvarez, D. Peris, R. Iglesias and J. Leiro (Santiago de Compostela, Spain) . 189

Genetics and Breeding
Microsatellite-associated heterosis in hatchery-propagated stocks of the shrimp *Penaeus stylirostris*
N. Bierne (Tahiti, French Polynesia; Montpellier, France), I. Beuzart, V. Vonau (Tahiti, French Polynesia), F. Bonhomme (Montpellier, France), E. Bédier and AQUACOP (Tahiti, French Polynesia) 203
The culture performance of monosex and mixed-sex new-season and overwintered fry in three strains of Nile tilapia (*Oreochromis niloticus*) in northern Vietnam
N.C. Dan (Bac Ninh, Viet Nam; Pathum Thani, Thailand) and D.C. Little (Pathum Thani, Thailand; Stirling, UK) 221
The relationship between allozyme heterozygosity and salinity tolerance in wild and domestic populations of the guppy (*Poecilia reticulata*)
T. Shikano, T. Chiyokubo, M. Nakadate and Y. Fujio (Sendai, Japan) 233

Husbandry and Management
Eggs and hatchlings of the freshwater crayfish, marron (*Cherax tenuimanus*), can be successfully incubated artificially
M. Henryon (Tjele, Denmark) and I.W. Purvis (Armidale NSW, Australia) 247
Factors affecting growth of killifish, *Aphanius dispar*, a potential biological control of mosquitoes
V. Frenkel and M. Goren (Tel Aviv, Israel) 255
Storage of unfertilized eggs of rainbow trout (*Oncorhynchus mykiss*) in artificial media
F.W. Goetz and M.A. Coffman (Notre Dame, IN, USA) 267
Biofouling of fish-cage netting: the efficacy of a silicone coating and the effect of netting colour
S.L. Hodson, C.M. Burke and A.P. Bissett (Launceston, Tas., Australia) 277
Alternative competitive strategies in juvenile Atlantic salmon (*Salmo salar*): evidence from fin damage
A. MacLean, N.B. Metcalfe (Glasgow, UK) and D. Mitchell (Scotland, UK) 291

Nutrition

Activity of digestive enzymes in yolk-sac larvae of Atlantic halibut (*Hippoglossus hippoglossus*): indication of readiness for first feeding
A. Gawlicka, B. Parent (Halifax, Nova Scotia, Canada), M.H. Horn (Fullerton, CA, USA), N. Ross (Halifax, Nova Scotia, Canada), I. Opstad and O.J. Torrissen (Storebø, Norway) 303

The use of lipid emulsions for sterol supplementation of spat of the Pacific oyster, *Crassostrea gigas*
P. Soudant (Ghent, Belgium), M.V. Sanles, C. Quere, J.R. Le Coz (Plouzané, France), Y. Marty (Brest, France), J. Moal, J.F. Samain (Plouzané, France) and P. Sorgeloos (Ghent, Belgium) 315

Effect of growth rate on quality traits and feed utilisation of rainbow trout (*Oncorhynchus mykiss*) and brook trout (*Salvelinus fontinalis*)
R.S. Rasmussen and T.H. Ostenfeld (Aalborg, Denmark) 327

Effect of lipid level in a compound diet on the development of red drum (*Sciaenops ocellatus*) larvae
V. Buchet (Martinique, France), J.L. Zambonino Infante and C.L. Cahu (Plouzané, France) 339

Physiology and Endocrinology

Blood oxygen transport, rheology and haematological responses to confinement stress in diploid and triploid Atlantic salmon, *Salmo salar*
J. Sadler (Launceston, Tas., Australia), R.M.G. Wells (Auckland, New Zealand), P.M. Pankhurst and N.W. Pankhurst (Launceston, Tas., Australia). 349

Contents of *Aquaculture*, Volume 184 363
